Business Analyst | Data Analyst | Finance & Operations

Uttarkhan, Dhaka-1230, Bangladesh | eshitakterofficial@gmail.com | linkedin.com/in/eshitakter | kaggle.com/eshitakter

PROFESSIONAL SUMMARY

Analyst with 3+ years of experience turning financial and operational data into insights that support compliance, reporting, and strategic decision-making. Currently a Senior Executive Officer at Finsource Limited, working at the intersection of finance and data on U.S. 401(k) plan operations, IRS/DOL compliance reporting, and participant transaction quality control. Skilled in SQL, Python (Pandas, NumPy), Power BI, Tableau, and advanced Excel for data cleaning, dashboard development, and reporting. Proven track record of standardizing large datasets, resolving regulatory issues, and delivering clear, actionable reports for leadership.

CORE COMPETENCIES

- Data Analysis & Visualization | Business Intelligence & Financial Analytics
- SQL & Python for Data Analytics | Data Cleaning & Dashboard Development
- Financial Reporting & Compliance (IRS, DOL) | Cash & Transaction Reconciliation
- Financial Modeling & Forecasting | KPI Development
- Stakeholder Coordination | Time & Task Management | Analytical Problem Solving

TECHNICAL SKILLS

- **Data & Reporting:** SQL (queries, joins), Python (Pandas, NumPy), Power BI, Tableau, Looker, Microsoft Excel (Pivot Tables, VLOOKUP, Macros)
- **Financial & Accounting Tools:** QuickBooks, Xero
- **Core Analyst Skills:** KPI development, dashboard design, financial modeling & forecasting, data cleaning, cash reconciliation

PROFESSIONAL EXPERIENCE

Senior Executive Officer

Aug 2026 - Present

Finsource Limited | Dhaka, Bangladesh

- Promoted to Senior Executive Officer within the Operations Department, supporting U.S. 401(k) retirement plan operations with a focus on accuracy, quality, and efficient workflow management.
- Review, process, and validate plan- and participant-related data to ensure accuracy and quality.
- Handle operational discrepancies and contribute to their timely resolution.
- Collaborate with internal teams to ensure smooth workflow and efficient task completion.
- Maintain confidentiality and accuracy while handling sensitive financial and participant information.
- Contribute to process improvement initiatives to enhance operational efficiency and service quality.

Executive Officer, Operations

Jan 2025 - Aug 2026

- Prepared and reviewed daily and monthly financial reports to ensure compliance with IRS, DOL, and company regulations.
- Processed participant withdrawal requests within IRS, DOL, and company guidelines; reviewed and released checks and ACH transactions.
- Performed quality-control checks on transactions and participant enrollment forms.
- Supported data cleanup projects by standardizing records and correcting errors, raising reporting accuracy.
- Coordinated with compliance and audit teams to resolve regulatory questions, ensuring zero penalties.

Associate Executive Officer

Aug 2024 - Jan 2025

- Administered daily 401(k) operations and record-keeping; processed withdrawal requests and reviewed checks/ACH transactions.
- Performed quality-control checks on enrollment forms; assisted with data cleanup projects and cash reconciliation.

Trainee Officer

Jan 2024 - Jul 2024

- Administered daily operations and record-keeping for retirement plans; processed participant withdrawal requests within IRS, DOL, and company guidelines and supported data cleanup projects for the operations team.

Officer - Operation, Canada Visa Application Center
VFS Global | Dhaka, Bangladesh

Mar 2022 - Dec 2023

- Managed passport logistics and ensured secure delivery to consulates, applicants, and couriers.
- Prepared and reconciled daily finance reports covering 500+ transactions, ensuring accuracy and integrity.
- Promoted Value Added Services to applicants, improving customer adoption by 10%.
- Collected biometric data and handled customer/applicant queries while maintaining strict confidentiality and quality standards.

Intern

Oct 2020 - Jan 2021

Mercantile Bank Limited | Dhaka, Bangladesh

- Gained hands-on exposure to banking products, customer service, and operational workflows, developing strong communication and time-management skills.

PROJECTS

- Uber/Lyft Ride-Sharing Demand Analysis (Boston): Conducted geospatial and time-series analysis of ride-sharing demand patterns using Python.
- U.S. Public Pension Funded Ratios Dashboard: Built an interactive Power BI dashboard analyzing funded ratios across 230+ U.S. public pension systems.
